**A Remarkable Record.**  
Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many millions of bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by J. Jas. Wood & Son, Druggists.

Don't forget the G. A. R. Campfire at the streetcar barn tonight. Admission free.

A ten-months-old babe adopted by Mr. Joe Kain of Front street died yesterday afternoon.

Messrs. J. C. Kirk & Son shipped to Cincinnati this morning 200 hogs, 40 sheep and 2 cows and calves.

The march of progress seems to be Eastbound so far as the city is concerned, if we judge by the hum of the wheels of industry.

The extreme cold weather the past two evenings has caused a noticeable diminution in the evening constitutional riders on the streetcars by the fair sex.

Lawrence Klein, a wealthy German butcher, died at his home in Dover Wednesday night of cancer of the stomach. He was 71 years of age and leaves three children.

The brick pavements put down in Forest avenue between Wood and Union streets are improvements that are certainly appreciated by those who pass over that part of the city.

By request of Joe Hoiser Post, Chaplain Jacob Millor will conduct religious services at the streetcar barn tomorrow afternoon at 2:30 o'clock, instead of at 3, as announced yesterday. The public invited.

People who have an affection of the head and are compelled to wear their hats should either take a small one to the Opera-house or occupy a seat in the rear. There are other people who pay as much to see the performance as they do, and it is impossible to get satisfaction behind a hat as large as an ordinary umbrella.

Rev. J. B. Henderson of Saybrook, Ill., brother-in-law of Q. A. and R. F. Means of East Second, was here yesterday en route to his old home in Lewis county, having left there 52 years ago. He notes many changes since his absence, the majority of his boyhood associates having died and gone to their long home.

Colonel Morris B. Belknap was in the city yesterday. He was en route to Vanceburg where he is billed to speak today and his short stay with us was in the nature of a social call. His reception, however, was hearty and cordial. Last night he was a guest at the Campfire and had a heart-to-heart talk with the large crowd present and made a fine impression on all who heard him.

## FINE ENTERTAINMENT.

"Way Down East" Last Night Pleased A Fair-Sized Audience.

Managers Russell, Dye and Frank, together with Booking Manager Hamilton, certainly deserve to be thanked by the fair-sized audience that greeted the company at the Opera-house last night in "Way Down East" for the most excellent entertainment.

There was not a flaw in the entire performance, everything moving off smoothly, while the different characters of the cast were nicely represented, each one being a star in his or her particular role.

The entertainment was first-class, and such plays rendered by capable people deserve to have a packed house.

There was some delay in getting started last night, owing to the late arrival of the scenery, but the celebrated Maysville Orchestra kept the spirits of the people up until the rise of the curtain.

If you have any trouble with your stomach try a box of these Tablets. You are certain to be pleased with the result. Price 25c. For sale by J. Jas. Wood & Son, Druggists.

### DARE DEVIL DOROTHY.

An unusual amount of interest appears to be taken by our theater goers in the coming of the "Dare Devil Dorothy" Company, which is to appear here next Thursday night at Washington Opera-house. Managers Russell, Dye and Frank assure us of a genuine treat in the way of something entirely new in the dramatic line. The play is described in the advertisements as a melo-dramatic musical comedy novelty which has been running with tremendous success in England for the past three years. Managers Berger and O'Neil, who own the American rights to the play, have duplicated the London production in every detail. Some of the latest songs and music have been introduced for the present tour and a most interesting performance will be the result.

The sale of seats opens Wednesday morning at Ray's Drugstore.

There is more Cataract in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and constantly failing to cure with local treatment, pronounced it incurable. Science has proven Cataract to be a constitutional disease, and therefore requires constitutional treatment. Hall's Cataract Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Hall's Family Pills are the best.

All kinds of School Supplies are sold at Ray's Postoffice Drugstore.

Among the very brightest stars that twinkle in the arctic firmament are the Imperial Viennese Aerialists, ten in number, who have been brought to America by the Barnum & Bailey Greatest Show on Earth. Their performance is given at the very top of the vast arched de'espase of the great pavilion which covers the vast amphitheater of this enormous exhibition. Their performance is one that well-nigh beggars description and includes enormous feats and tricks requiring the utmost strength, skill and grace that have ever before been seen in this country. So great are they and so highly regarded by the management that they of all the star specialists are given the entire arena by themselves that all spectators may see them without their attention being distracted by anything else.

They will be seen here with the great international exhibition when it appears on October 7th at an afternoon performance.

### The Genuine vs. Counterfeits.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DEWITT'S White Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Lechtor of Shreveport, La., says: "After using numerous other remedies without benefit one box of DEWITT'S White Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DEWITT'S White Hazel Salve. Sold by J. Jas. Wood & Son.

## Editorial Correspondence

PHILADELPHIA, September 16th, 1903.

Old Sol lent his best efforts to give me a "hot old time" on my quadrennial outing; for yesterday he sent the mercury waltzing around the 100° mark on the shady side of the C. and O. Flyer as it sped through the border counties of Kentucky and West Virginia, and relief came only when the vales of New River were reached and the cool breezes swept down from mountain sides.

Washington was reached "without incident," as the expert ink-slingers put it, and for lack of time to call on "Teddy" and the other big wigs, I was satisfied to grasp the honest hands of Jo. SAUERLAND and W. W. MARMADUKE, 'phone TITE ELLIS—and to buy a first-train ticket and light out for this city, via Baltimore. Here again there was disappointment, for FRANK GRANT was so busy Grand Secretarizing the Sovereign Lodge of Oddfellows that he was not at the month of the big tunnel with a brass band to blow the smoke away.

I reached Philadelphia in company with the biggest storm in years, which unroofed a portion of the Broad Street Station, fairly littered the streets with dismembered umbrellas, blockaded the parks with fallen forest trees, and strewn the sidewalks with broken glass, wrecked signs and shutters, and gave the old city the appearance of having been out the night before. Fortunately, so far as yet learned, there was no loss of life, but several were injured, while the financial loss in this city, at Cape May, Atlantic City, and along the Jersey and Delaware coasts, will mount into the millions.

Indeed, it was about the most strenuous welcome I ever received at the hands of these good people, so many of whom I had known and loved in the long, long ago. However, a journey from Broad Street Station via Chestnut to Third and Walnut streets was convincing proof that my friends had not prompted the demonstration, for in that fourteen-square journey I

saw at least twenty thousand people, not one of whom, probably, I had ever seen before—and not one of whom I knew.

And this makes one reminiscent.

I first set foot in this splendid city on the 21st of June, 1858, a little over forty-five years ago, then a boy just turned 18. By peculiar good fortune I was thrown into a lovable circle, consisting of mother, five sons, four daughters, three sons-in-law and four daughters-in-law—and it was not long until I was regarded almost as a son and brother. Of all that devoted family of seventeen, but a single one remains!

And today I met a dear old Army comrade, with whom I had entered the service April 29th, 1861. There were in the Company ninety-eight men and three officers who held up their hands in the old Girard House and swore to support their Government. Of that number but two remain, and those two today sat at table and drank in pure water to the memory of the one hundred and one that have awakened at reveille on the other side!

No wonder I walked so far through these familiar streets without finding a familiar face! The friends we all knew nearly half a century ago are largely at rest—and we must soon follow them!

\*\*\*

This afternoon I made a friendly call on Mr. SIM ROSENAT, Colonel HARRIS and Mr. PERRY FRANKEL, all ex-Maysville residents, and it will be gratifying to their many friends in the old town to know that they are doing an immense business here, and that they made earnest inquiry for their old acquaintances, not forgetting Colonel DAVE HECHINGER.

When the authorities get the wreckage of the storm cleared away and there is no danger of another cataclysm, I will venture out and see if I can find something else to tell the folks at home.

### QUESTIONS FOR ANSWERS.

Louisville Evening Post.

"To be hanged until dead November 25th." That is Wednesday, not Friday, and it is the day before Thanksgiving. Powers is to be hanged for what? For shooting Goebel. He was not in Frankfort. For inducing Youtsey to assassinate Goebel? Youtsey says he, not Powers, pointed out Goebel to the assassin, whoever he was. For guilty knowledge? Youtsey swore Berry Howard and Hockersmith were in the room; then swore they were not. He swore Powers was innocent and then swore he was not. Youtsey is in prison for life. Howard is in prison sentenced for life and needing \$100 to pay for a transcript before he can make his appeal. Powers is under sentence of death, to be executed Wednesday, the day before Thanksgiving. And the present Governor of Kentucky asks the people to vote on the proposition to hang Powers or to pardon him!

## BIG SPACE DEMAND.

Greatest of All World's Fairs Confronted With Problem.

KENTUCKY LUCKILY GOT IN EARLY.

Exhibit Association of This State Secured Reservations When the Exposition Work Was Yet Young. Wisdom of Officers Needs to Be Commended.

Although the grounds of the Louisiana Purchase Exposition are double in area those of the World's Fair at Chicago in 1893, the acreage being as large as that of the Columbian, Pan-American, Omaha and Paris expositions combined; although the exhibit palaces exceed any ever erected for exposition purposes, ranging from five acres to 20 acres, President David R. Francis and his associates in the making of this greatest of all World's Fairs, are confronted eight months before the opening of the big show with a problem as to space, the solving of which is taxing even such master minds as theirs.

Application has already been made for twice, and in some instances thrice, as much space as is available for displays. It seems that the entire universe, commercially and industrially speaking, has at once recognized

**JOHN J. TELFORD,**  
Chairman Transportation Committee, Kentucky Exhibit Association.  
In the Exposition to be held at St. Louis next year the opportunity of this age to exploit the business side of its life. Every civilized land and clime is to be represented at the Fair; every State and Territory of this Union is to put forward its best foot.

Small wonder then that the public-spirited officers and members of the Kentucky Exhibit Association, formed to raise the money by subscription that the Legislature should have appropriated, are being congratulated on their foresight in organizing a year and a half before the Exposition and asking for reservation of space in every department.

In the present case it may well be said of the Blue Grass commonwealth that she has acted the part of the "early bird." The failure of the General Assembly to provide for an adequate representation of the State's untold products and resources at the Centennial of the Louisiana Purchase was a blunder keenly felt by President Francis, himself a native-born Kentuckian, and he welcomed the movement that has made possible the State's taking its rightful place in the front ranks. He has met the officers and committeemen of the Exhibit Association more than half-way on every proposition. Through his influence Kentucky has secured a site for her State Building that is commanding and her exhibits in the main palaces of the Fair will occupy space that other States clamored for.

Before a cent of the \$100,000 had been raised, the Association had filed application for a building site and space for displays of products and resources. Its officers believing that the enterprise of the citizens when put to the touch would respond faithfully. Subsequent events have proved the wisdom of this faith. While much less than half the amount has been contributed, there is every indication that all will yet be raised and the Association not forced to cut its cloth on a narrow scale than originally planned.

Everything installed at the Exposition is to be gigantic and Kentucky can ill afford to be a laggard in this trying movement. The time is ripe for millions of dollars of capital to pour into Kentucky, rich in all things that tend to attract the moneyed man and the home-seeker of moderate means.

## THERE ARE CERTAIN ESSENTIAL QUALITIES!

Which every well tailored garment should possess. Some of these are easily distinguished, while others of equal, if not greater, importance cannot be known until the garments have been tested by wear. The substitution of inferior inter-linings, where durable Irish linen is required, will not change the outward appearance of a coat, though it quickly makes itself evident when subjected to the strain of service. The coat loses its shape then because the foundation is weak. This is one of many instances showing why it is safer and cheaper to buy clothes of a reliable make. For the guidance and protection of the clothes-buying public, we put our name in every garment of our make—in fact, we do more. Only the highest quality of materials are used in Kuppenheimer Guaranteed Clothes. They are shaped and tailored by master craftsmen, and with our system of inspection we make certain that each garment is correct in every detail. We believe that all clothes of this make are perfect in materials, workmanship and fit, and each garment bears our guarantee of "absolute satisfaction or your money back." There is no safer way to buy and no surer way to get good clothes than to buy the "absolute satisfaction" kind. You can't get more for your money, and in other kinds you may get less.

### DON'T WAIT.

Take Advantage of Maysville Citizen's Experience Before It's Too Late.

When the back begins to ache, Don't wait until backache becomes chronic; Till serious kidney troubles develop; Till urinary troubles destroy night's rest. Profit by a Maysville citizen's experience.

Mrs. Elmer Bridges of 236 West Third street says:

"I learned of the great merit of Doan's Kidney Pills over a year ago while in Pittsburgh, Pa. The use of two boxes ended all symptoms of kidney trouble. Health is a magnet which irresistibly draws the man to the woman in his mating time. A great many women covet beauty and are constantly seeking means to beautify themselves. Let a woman first seek perfect health.

Use  
These  
Spices

If you have a recipe calling for a certain spice or for mixed spices it means that the best is needed to produce the desired flavor. The writer of the recipe you use had in mind only perfect, full flavored spices. If you use the ordinary ones results must be unsatisfactory. We have the better kind, the very choicest the world produces; and this is the kind you should have.

Mixed

We have the finest lot of these you have ever seen. Blended perfectly. Cost no more than the worthless kind. We wish also to supply your sealing wax, paraffine, corks, curcuma, etc.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

Concerted action and demand by the dwellers in the six great states bordering upon the Ohio river to the National Congress, through an accredited organization capable of effective work, such as the Ohio Valley Improvement Association has by the history of the last eight years shown itself to be, will bring appropriations that will complete the work of improving the Ohio from Pittsburgh to Cairo, by the plan of movable locks and dams, to which the general Government is committed, and which its engineers approve.

The Chetwood & Saunders Transportation Company bought the steamer Gertrude at Pittsburgh for \$9,000. She is on her way down from Pittsburgh bound for the Chattanooga river via the coast of Florida. She will take a load of freight to New Orleans. The Gertrude will then proceed along the coast of Florida and up the Chattahoochee river. This river serves as a boundary line for a long distance between Georgia and Alabama. It traverses a large part of Georgia and also crosses Florida. Pilots are calculating the chances the boat has of getting to her destination.

## CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Rosch's German Syrup. There are so many others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The size has just been introduced this year. Regular size 75 cents. At Henry W. Ray's, next door to Postoffice.

In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

Miss Sarah Finley.

following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

## A Wife and Mother

Should not be exposed to the schemes of self-styled financiers. So think a great many men who, instead of leaving their insurance in bulk to their widows, have counseled with The Mutual Life Insurance Company of New York, and adopted a course, which has eventuated in something like the plan of the late

Archibald N. Waterhouse, of Philadelphia, who died last Friday and whose policies amounted to \$200,000 in The Mutual Life Insurance Company of New York. The insurance under which these policies were issued was selected. But his widow will receive at once \$50,000 in cash and an annual income of \$5,000 for twenty years, and if she is living at the end of that period she will receive \$50,000 in cash, making the total amount received under these policies \$150,000, or which the premiums paid by Mr. Waterhouse amounted to only \$75,000.

(From Philadelphia Record, Nov. 13, 1902.)

In writing for terms on similar policies, state what you would like to receive in cash at the end of the limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.

## WATER DOCTOR

Employs a Scientific Method of Diagnosis.

Thousands of people suffer from chronic and obscure troubles and fail to get relief, because the doctors who treat them guess at the disease. Since 1890 Dr. Shafer has been located in Cincinnati, and during years of continuous practice has cured many of the most obstinate and long standing cases. Why? Because he employs a scientific, reliable method of detecting the patient's true condition. One of his patients says: "I suffered for five years. I was treated by many doctors, tried patent medicines and electric belts, but continued to get worse, and friends thought I was running into consumption. Dr. Shafer permanently cured me." Ralph Truock, Aurora, Ind.

"I was a nervous wreck, but Dr. Shafer cured me." J. L. Sharkey, 541 West Fifth street, Cincinnati, O.

If you wish further information regarding Dr. Shafer's method of diagnosis send for his 66-page free book. Kindly remember that Dr. Shafer is the original and only urine specialist (water doctor) in Cincinnati, giving special attention to Kidney, Bladder, Liver, Stomach, Nervous Diseases and Rheumatism. Avoid imitations. Patients should bring or send a bottle of morning urine for analysis. Consultation and analysis of urine free. Charges for professional services reasonable. Established in Cincinnati in 1890. Will be in office during Fall Festival, and on pleasant and convenient terms. Office hours: 10 a. m. to 4 p. m.; Sundays, 10 to 1, and 6 to 8 on Tuesday, Thursday and Saturday evenings. Dr. C. H. SHAFER, 129 Garfield Place, Cincinnati, O. se25-12-19
